

21. (Amended) A xerographic component as claimed in claim 1, wherein said xerographic component is capable of receiving a bias.
22. (Amended) A xerographic component as claimed in claim 1, wherein said xerographic component is an intermediate transfer roll.
23. (Amended) A xerographic component as claimed in claim 1, wherein said xerographic component further comprises a heating element associated with said hollow cylinder.

REMARKS

Claims 4 and 21-23 have been amended to correct the dependency thereof. Entry of the amendments is respectfully requested.

After filing the Amendment dated April 17, 2001, Applicants noted that claims 4 and 21-23 had never been amended to correct the dependency thereof, and all four claims have depended on previously cancelled claims. Therefore, Applicants are filing this Supplemental Amendment to correct these inadvertent errors.

In view of the above, and further, in view of the arguments and amendments made in the Amendment dated April 17, 2001, Applicants submit that all claims should now be in condition for allowance. Early indication of allowability is respectfully requested.

No additional fee is believed to be required for this amendment. However, the undersigned Xerox Corporation Attorney hereby authorizes the charging of any necessary fees, other than the issue fee, to Xerox Corporation Deposit Account No. 24-0025. This also constitutes a request for any needed extension of time and authorization to charge all fees therefor to Xerox Corporation Deposit Account No. 24-0025.

In the event the Examiner considers personal contact advantageous to the disposition of this case, s/he is hereby authorized to call Applicant's Attorney, Annette L. Bade, at telephone number (310) 333-3682, El Segundo, California.

Respectfully submitted,
